

Hello October! Fall Leaves, Pumpkins and Scary Ghosts. The start of the holiday season.

I would like to thank [Doug Amon](#) for welcoming us to his rose garden for our September meeting. Beautiful location except for the mosquitoes, which seemed to in abundance. Thank you to all the hostesses for another amazing array of food and beverages.

October is a very busy month for **GLWA**.

Starting out with **Ladies Day Luncheon**. A huge thank you to [Francine Jacobs](#), [Gaby Lira](#) and to all the

sub-committee chairs and every member who went well beyond making this a beautiful and successful event. It really does take a village.

Then on to **Harvest Dinner**, I am sure [Kathleen Kelleher](#) and her committee have a lovely evening planned. There will be a meeting but it will be short as to be able to enjoy the evening and fellowship with past presidents and guests. If you don't have your reservations yet please contact [Kathleen Kelleher](#), I am sure she will need to get her final count in to the restaurant as soon as possible.

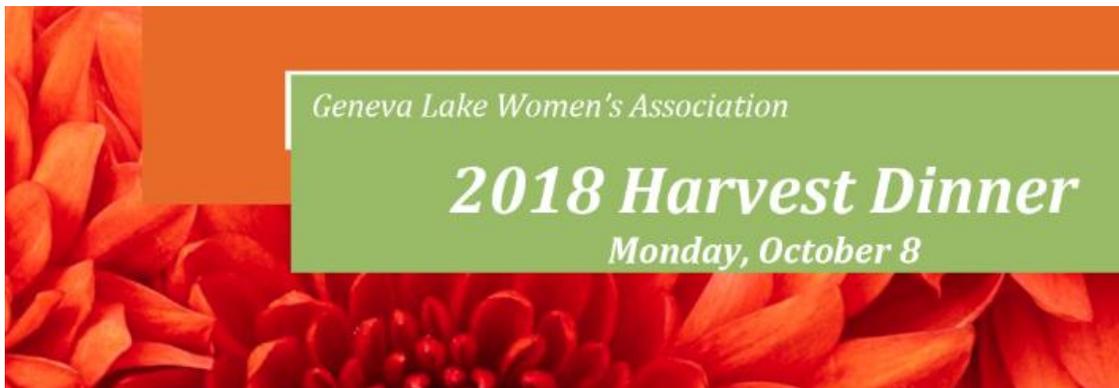

The New Member Event will round out our month. I hope everyone is thinking of who you would like to invite and introduce GLWA to. [Megan and her team](#) are working hard planning a great evening. We always love to welcome new people in the organizations.

So with that my GLWA sisters I wish you a great fall!

Your GLWA President,

Kathy Papcke
