- The scholarship of **\$1000 (one thousand dollars) for up to four consecutive years of post-secondary education** will be paid directly to the recipient's school to assist with the tuition and books. The recipient will only be eligible for \$1000 for each year in attendance limited to four consecutive years (maximum not to exceed \$4000). If a recipient is attending a program that is less than four years, she is only eligible to receive \$1000 for each year in attendance (up to four years) and will **not** receive the remainder or equivalent of a four-year attendance amount.
- Each year's award of \$1000 will be made after the GLWA scholarship committee receives a grade transcript of the first term grades for each of the four consecutive years of attendance at the post-secondary school. The transcript will verify that the recipient has maintained a 2.5 grade point average (on a 4.0 scale) with full time student status. Submit with the transcripts the student identification number and address of the tuition office of the school you are attending for direct payment. (GLWA contact person's address will be provided at time of scholarship award.)
- The award recipient will be invited to attend a meeting of the Geneva Lakes Women's Association (which is normally held on the first Monday of the month).
